### PLEASE READ CAREFULLY BEFORE SUBMITTING YOUR APPLICATION:

- No live Santa's will be allowed on any float. Santa appears each year courtesy of the Westmoreland Chamber of Commerce.
- All floats throwing candy along the parade route MUST have two (2) persons walking on each side of the float to help with the safety of the children picking up the candy.
- Motorcycles, 3-wheelers and 4-wheelers will be allowed to enter the parade. The Westmoreland Chamber of Commerce reserves the right to ask anyone to leave the parade route if driving dangerously. This could result in injury to the participant or spectators. Once the motorcycles, 3-wheelers or 4-wheelers are lined up, they must remain in line until the parade begins.
- As we approach the downtown area of Westmoreland, all emergency vehicles are asked not to sound their sirens due to the noise level. This will allow the crowd to hear each parade entry announced.
